MEMORANDUM FOR: Director of Logistics

VIA: Deputy Director for Administration

FROM: R. E. Hineman
Deputy Director for Science and Technology

SUBJECT: Contract Officer Applicants

REFERENCE: Memo (OL-3106-86) for DDS&T via DDA fm D/OL, dtd 8 May 86,
Same Subject

1. Per your request as outlined in the referenced memorandum, I have requested that polygraph appointments be allocated to you for the purpose of assisting the Office of Logistics in obtaining clearances for new contracting officers. This request has been made to Chief, Division I/Employment/OP. Our intention is to first allow Chief, Division I, to schedule polygraph appointments for contracting officers when an applicant for the DS&T calls and cancels his/her appointment. Second, we are prepared to cancel appointments (up to 10) that have been scheduled in August for DS&T applicants who have not yet been notified of their polygraph appointment and who are not considered to be a priority requirement for this Directorate.

2. Hopefully this arrangement will help to alleviate our current situation of the critical shortfall of contracting officers throughout the Agency and this Directorate.
